Instead, all disputes will be resolved on an individual basis before a neutral arbitrator, whose decision will be final except for a limited right of appeal under the FAA. Any court with jurisdiction over the parties may enforce the arbitrator's award.

No Class Action Procedure. Notwithstanding any of the foregoing or any other provision of these Terms, class arbitration is not permitted under any circumstance. Although the non-availability of any form of representative or class proceeding is clear from this Agreement, should any dispute arise regarding or relating to the existence, validity, enforceability, or interpretation of the Arbitration and No Class Action procedures provisions above, the federal court located in New York, New York shall have the sole and exclusive jurisdiction to hear and determine the issue.
