

BEHAVIORAL MANAGED CHARGING PROGRAM CUSTOMER PARTICIPATION AGREEMENT

Customer agrees to enter into this Participation Agreement (the “**Agreement**”) with CLEAResult Consulting Inc. (“**CLEAResult**”), to participate in the Behavioral Managed Charging Program (collectively, the “**Program**”) funded by Entergy Texas, Inc., (“**Entergy**”). CLEAResult and Customer may be referred to in this Agreement individually as a “**Party**” and collectively as the “**Parties**.” The Parties acknowledge and agree that the state regulatory governing body (the “**PUC**”), Entergy and third-party Program contractor and/or equipment provider are third party beneficiaries of this Agreement. In consideration of the mutual covenants and agreements set forth below, the adequacy and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

- 1. Eligibility.** The Program runs each year for the period from June 1 through September 30 (the “**Program Period**”). To be eligible, Customer must be an Entergy customer with operational ChargePoint, Emporia, Evoxcharge, Wallbox, Lexus, Tesla, or Toyota (each, a “**Vendor**”) electric vehicle supply equipment (“**EVSE**”) or telematics (direct-to-vehicle data connection), as applicable (each, “**Equipment**”), maintained at Customer’s residence. CLEAResult may request verification of eligibility requirements at any time during the Program Period. If Customer is a tenant, Customer represents that by entering this Agreement, they have obtained the property owner’s permission to participate in the Program. Customer also confirms that it has not and will not receive rebates, incentives or services for any measures installed under this Program from another program funded by Entergy. The Program may be modified or terminated without prior notice and this Agreement is subject to modifications by Entergy.
- 2. Access and Participation.** Customer must agree to provide Entergy, CLEAResult, Vendor, and each of their respective affiliates, directors, officers, and employees (the “**Sponsor Parties**”) access to collect, exchange, and retain personally identifiable information, Entergy account number, meter number, service address, and energy usage and other Equipment data for the purpose of verifying Customer eligibility, administering the Program, troubleshooting and resolving any connectivity or other Equipment issues, and exchanging and publishing conclusions and results. Customer agrees to receive emails, text messages, and other notifications relating to the Program, including customer surveys. Customer represents and warrants that all information provided to Sponsor Parties is accurate and complete.
- 3. Reward.** Customer may receive the following reward for participation at the end of each Program Period: one-time \$40.00 e-gift card for enrollment, then up to an additional \$20.00 for each month of participation. Customer acknowledges that rewards will be offered only if Customer and Equipment meet the Program requirements. Customer understands that rewards committed to Customer may be withheld if Customer or Equipment is proven ineligible or does not comply with the requirements set forth by the Program.
- 4. Events.** Customer agrees to adjust their EVSE charging to off-peak hours, which are defined as 7 p.m. to 1 p.m. the following day, during weekdays (each such adjustment, an “**Event**”). Customers who participate in the Program are eligible to receive the rewards described in Section 3 above. Customers may opt out of participating in Events as needed; however, Customers will lose that month’s reward for opting out of Events three times or more in a given month (i.e. charging between 1 p.m. and 7 p.m. on weekdays),
- 5. Termination.** CLEAResult may terminate this Agreement and Customer’s participation in the Program immediately at any time upon email notice to Customer. Customer may withdraw from this Agreement (and the Program) by emailing EntergyTexasEV@clearresult.com. Notwithstanding termination of this Agreement and/or Customer’s participation in the Program, Customer retains any payment obligations to the Vendor with respect to the Equipment.
- 6. Auditing, Monitoring, and Verification.** Customer also agrees to allow CLEAResult, Vendors, and Entergy to access data from its participating Equipment for the purpose of confirming Customer’s participation in the Program and verifying the energy savings achieved through the Program. Customer agrees to cooperate with CLEAResult, Vendors, and Entergy, as necessary. Customer also agrees to remedy any issue arising from auditing and monitoring results at no additional cost within the timeframe provided by the Program. Customer understands that any incentives may be withheld if Customer refuses to participate in any required verification within a reasonable period.
- 7. Confidentiality.** Customer authorizes Entergy, CLEAResult, and Vendors, and each of their respective affiliates, directors, officers, and employees to a) collect and exchange Customer’s information, account, and energy data, solely for the purposes of determining eligibility for the Program and administering the Program; b) automatically signal

Customer's Equipment to take part in Program events or for general system testing purposes; and c) send Customer emails, text messages, and other notifications related to the Program, including surveys, and to share survey responses; and d) share publicly Program result summaries, provided that any of Customer's information is de-identified and aggregated CLEAResult will not use the name or identifying characteristics of Customer in advertising sales promotion or other publicity without Customer's written approval.
