If any provision of these Terms is held to be invalid or unenforceable, all remaining provisions of these Terms will remain in full force and effect. These Terms constitutes the entire agreement between Sponsor Parties and a Participant relating to the subject matter hereof and supersedes all other such prior or contemporaneous oral and written agreements and understandings.

9. Dispute Resolution.

Governing Law. This Program is governed by the laws of the State of New York without regard to its applicable principles of conflicts of law.

Informal Process First. You agree that, in the event of any dispute between you and the Program Administrator or Sponsor, you will first contact the Program Administrator or Sponsor in writing and make a good faith sustained effort to resolve the dispute before resorting to more formal means of resolution, including without limitation, any arbitration or court action.

Arbitration. If you and the Sponsor or Program Administrator do not resolve any dispute by informal negotiation, any other effort to resolve the dispute will be conducted exclusively by binding individual arbitration governed by the Federal Arbitration Act ("FAA"). You are giving up the right to litigate (or participate in as a party or class member) all disputes in court before a judge or jury. Instead, all disputes will be resolved on an individual basis before a neutral arbitrator, whose decision will be final except for a limited right of appeal under the FAA. Any court with jurisdiction over the parties may enforce the arbitrator's award.

The arbitrator's award will consist of a written statement stating the disposition of each claim, and the award will also provide a concise written statement of the essential findings and conclusions on which the award is based.

You and the Program Administrator or Sponsor shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a court application for a preliminary remedy, a judicial challenge to an award or its enforcement or unless otherwise required by law or judicial decision.

No Class Action Procedure. Notwithstanding any of the foregoing or any other provision of these Terms, class arbitration is not permitted under any circumstance. You, Sponsor, and Program Administrator agree that, by entering into this Agreement, THE PARTIES MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR RESPECTIVE INDIVIDUAL CAPACITY, and not as a plaintiff or class member in any purported class or representative proceeding. Further, you agree that the arbitrator may not consolidate proceedings or more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. Although the non-availability of any form of representative or class proceeding is clear from this Agreement, should any dispute arise regarding or relating to the existence, validity, enforceability, or interpretation of the Arbitration and No Class Action procedures provisions above, the federal court located in New York, New York shall have the sole and exclusive jurisdiction to hear and determine the issue.

- 10. Changes to the Terms.** Sponsor Parties may modify these Terms at any time. We will notify you by email at the most current email address we have on record for you when we make any material changes to these Terms, and the effective date of the modified Terms, which will be after the date of our notice to you. Your continued participation in the Program thereafter signifies your acceptance to such modified Terms. The modified Terms will apply only to disputes that arise after the effective date of such modified Terms. Sponsor will also post the most current version of the Terms on our website specified below and encourage you to check this site frequently.
- 11. Acceptance of Agreement.** The use of an electronic signature process to accept and sign these Terms, including your indication of acceptance of these Terms by a click-through or click-wrap process presented on Sponsor's website, shall constitute effective execution and delivery of these Terms, and shall form a binding contract between you and the Sponsor Parties .
