Eligibility for entry is subject to Sponsor's sole determination that an entrant is eligible to participate in a demand response program that requires the adjustment of the entrant's thermostat in connection with demand response events initiated by the Program Administrator. Generally, eligibility is determined based on a number of factors including, without limitation, which utility provides the entrant's electricity, the entrant's residence location, the amount of time an entrant has been a customer with a smart meter, and Sponsor's ability to match the entrant's name with his or her utility account number. Employees, agents, officers, directors and members of Sponsor, its affiliates, distributors, advertising and promotion agencies and anyone involved in the Promotion's development or execution, and the immediate family members (meaning spouses, parents, siblings, children and their respective spouses, grandparents and grandchildren) and members of the households of such employees, agents, officers, directors and are not eligible to enter or win the Prize in this Promotion. Sponsor reserves the right to disqualify from this Promotion any person it believes has intentionally violated these Official Rules or the Program Terms and Conditions. 3. How to Enter. Enter by registering to participate in the Power Savers Mid-Atlantic Program (Program) and the required demand response events. If you have already agreed to be bound by the Program Terms and Conditions, which can be found [here](#), and you are accepted by Sponsor into the Program, you will automatically earn chances to win the Promotion when you complete a Full Event. A "**Full Event**" occurs when there is any real or test demand response event, where your Alarm.com device is connected to the Alarm.com service, and when you do not opt-out of that event for the duration of the event. If you withdraw from the Program on or prior to the end of the Promotion Period, you will not be eligible to earn chances to win the Promotion. If you do not want to automatically earn chances to win the Promotion when you complete a Full Event, please contact Sponsor prior to the end of the Promotion Period. You can also obtain entries into the Promotion if you are eligible to enter and send in entries by mail.

To Enter By Mail: On a 3"x5" card, hand print your full name, complete home address including zip code, home telephone number with area code, e-mail address (if available), and mail in a first class stamped envelope to Power Savers Mid-Atlantic Sweepstakes, 41 Flatbush Avenue, Suite 400A, Brooklyn, NY 11217. Each properly completed and received card will receive one entry (up to a maximum of 40 entries per participant). Each card must be mailed individually. No photocopies, facsimiles or mechanical reproductions of cards permitted. No metered mail will be accepted. Envelopes must be postmarked by December 31, of the calendar year and received by January 7 of the next calendar year.

Eligible entrants will receive one (1) chance to win the Promotion for full completion of participation in one (1) Full Event. Completion of participation entails, when participating in a Full Event, each entrant agreeing to allow Sponsor to control his or her thermostat to reduce demand during a specified event period by increasing the current setpoint or scheduled target temperature setpoint in order to reduce electrical

demand. These setpoint increases may be preceded by "pre-cool" periods, wherein the current or scheduled target setpoint is temporarily decreased to prepare the premises for the subsequent setpoint increase. Additional details describing how demand response events occur can be found in Program Terms and Conditions, which can be reviewed [here](#). Sponsor estimates that there will be forty (40) demand response during each calendar year. If an entrant opts-out of a demand response event, the entrant will not complete the Full Event and will not earn an entry. Entrant may opt out of an adjustment at any time from his or her thermostat or through components of the Alarm.com service, such as the web portal and smart phone applications. In the unlikely case that a participant is opted out of a demand response event by Sponsor or Alarm.com and fails to receive one entry for the Promotion, Sponsor and Radio Thermostat will not be liable in any way. Entrants may opt out of the Program in its entirety by emailing powersavers-midatlantic@energyhub.net. Each additional entry will increase your odds of winning the Prize.

You must agree to be bound by [the Program Terms and Conditions](#) on or prior to August 31st of the calendar year at 11:59:59 PT in order to be considered eligible to participate in the Program and therefore to earn chances to win the Promotion. If you are accepted into the Program, all Full Events will earn you one chance to win the Promotion. All chances to win the promotion must be generated by 11:59:59 PM PT on December 31 of the calendar year.
